

## **NY State Racquetball Association 2012-2013 Scholarship**

The NY State Racquetball Association is offering a \$1000 Scholarship to a currently enrolled college student who had their racquetball roots established within the NY State Racquetball system.

Interested candidates should send a letter detailing some of their NY State Racquetball experiences, how these experiences have benefited them as a person, and how they will use any scholarship funds to further both their education and their racquetball careers.

A separate list of NY State titles may accompany your letter but is not necessary.

Application letters are due by July 1, 2012. The Board will review and render a decision by September 15, 2012 and the scholarship will be awarded by November 1, 2012. (Proof of college enrollment and college expenses greater than \$1000 will be required for the final phase of the award to be issued)

All applicants can e-mail their letter(s) to [Pat@racquetworld.com](mailto:Pat@racquetworld.com) or mail them to:

NYRA
